

## Cape Peron Gets Class A Reserve Status!

Growing up in Rockingham, I've spent a lot of time at Cape Peron and I'm proud that the Cook Labor Government is protecting this area for future generations to enjoy.

Class A reserve status is the greatest degree of protection for areas of high conservation or community value, like Kings Park and Rottnest Island.

Stage One of the Class A reserve involves 66 per cent of Cape Peron, approximately 120 hectares.

**Our community has been asking for a Class A reserve for Cape Peron for decades and our Government is delivering this protection.**

## We're Doubling KidSport

I am a strong believer in equal access to opportunities, and sport is no exception. Every kid should be able to experience the thrill of playing community sport and belonging to a team – no matter their circumstances.

That's why we are doubling the value of KidSport vouchers to \$300 per child, per financial year, to help meet the costs of community sport.

This announcement will help ease cost of living pressures on families in Rockingham and ensure that our local kids get to play whatever sport they love.

KidSport is open to eligible 5 to 18 year olds.

## Major Investment in our Local Schools

I am passionate about making sure our kids have access to the best quality education locally and I am excited to deliver upgrades to our local public high schools.

The \$60 million redevelopment of Rockingham SHS will include a new education support building, outdoor and bus areas, new technology block, new sports hall and fitness centre, new arts and IT learning area, and a performing arts centre and dance studio.

The \$40 million redevelopment of Safety Bay SHS includes a new arts learning area, new sports hall and fitness centre, new admin block, dedicated student services block, and a drama and cheer dance space.

## Rockingham Community Survey

We're lucky to live in one of the best places in Australia. I grew up in Cooloongup and love living in Waikiki. I'm pretty proud of our local area.

As your local Member I'm keen to hear your feedback on how we can make our community an even better place to live, work, and raise a family.

Scan the QR code and complete my short community survey so you can have your voice heard and represented. Doing so will enter you into the draw to win a \$150 voucher to Rockingham City Shops, winner drawn on 1st December 2023.

**Magenta Marshall**  
Member for Rockingham

Dear residents,

It is an honour to have been elected to represent the people and community that I grew up in and love dearly – the people of Rockingham.

As your local Member, I will continue to be a strong voice for us in government. I will ensure that future generations growing up in Rockingham, like I did, have access to the best education, quality local jobs, strong public healthcare and state of the art facilities.

I am excited to get to work delivering for our community, starting with redevelopments of our local high schools at Rockingham and Safety Bay, and the expansion of the Mike Barnett Sporting Complex.

Rockingham, thank you for putting your faith and trust in me.

I am committed to working hard, listening to your needs and fighting for a decent life and job for all in our community, for generations to come.

Yours sincerely,

*Magenta Marshall*

## Inaugural Speech to Parliament

On the 9th of August I was sworn into the Western Australian Parliament as the new Member for Rockingham in the Legislative Assembly.

It is an honour to represent Rockingham and I'm proud to have made history as the 30th woman elected to this Parliament, giving women majority representation for the first time.

I take the responsibility entrusted to me seriously and I will work tirelessly to improve the quality of life for our community.

## Record Investment in Local Health

No State Government in Australia invests more in healthcare per person than the Cook Labor Government.

This record investment means more beds in our hospitals, more nurses and doctors, and reforms to ease pressure on our emergency departments.

In the last two years, the State Government has delivered 30 new beds at our local Rockingham General Hospital, and opened the new Women's Outpatient Clinic as a 'one stop shop' for women's services in the Rockingham area.

## Cost of Living Relief

Cost of living is a real concern for many families across our community.

The Cook Labor Government is committed to providing support and relief from cost of living pressures.

Every household in WA will receive two electricity credits on their power bills this year, totalling \$400.

The first \$200 credit has been applied to bills that were issued since the 1st of July, and the second \$200 credit will be provided in December to make life a little easier for households over the Christmas period.
